PROFILE

I am an accomplished and adaptable full-stack developer that has a love for creating user-focused and creative websites.

With a track record of providing flawless digital experiences, I have knowledge in both frontend and backend technologies. My ability to code, solve problems, and work in a collaborative team environment allows me to develop reliable and scalable solutions that promote corporate success.

EDUCATION

COMSATS UNIVERSITY

Bachelors in Computer Science
2017-2021

MODEL SCIENCE COLLEGE RAWLAKOT

FSC
2013-2014

WORK EXPERIENCE

June 2022- Present

Codeexperts

Full Stack Developer

I orchestrated the end-to-end development of a robust e-commerce platform using my expertise in React, Node.js, and MongoDB. Collaborated effectively with cross-functional teams, utilizing strong communication skills to translate business requirements into scalable and responsive solutions.

Jan 2022- May 2022

Lanticus PVT
LTD

Front-end developer

I crafted visually stunning and responsive user interfaces, employing HTML, CSS, and JavaScript to elevate the overall user experience. Implemented innovative design solutions. Collaborated seamlessly with UX/UI teams, honing my skills in responsive design and ensuring a seamless integration of visual elements into the web applications.
